

RFP No. YPS 06-07-01
Youth Placement Services

Question and Answers

1. Since funds are not currently available does WorkNet have any idea when they might be? **No** Could we assume a six-month project starting in January of 2007? **No**
2. Would it be acceptable to provide additional services and resources to the youth being served under the current youth services agreement or does this group of youth need to be an entirely separate population? **The proposer can define the population in their proposal**
3. Do youth need to meet WIA income eligibility? **That has not been determined at this time** If so, would they figure in to the region's WIA performances? **N/A** Would they be subject to 12 months of follow up? **N/A**
4. What is the definition of Job Exchange? **Connecting students with employers**
5. Can we use funds to hire personnel? **The proposal should include staff that would be used under the grant if funded.**
6. Can this be used to expand existing programs? **Yes**
7. Can the Pinellas County School district apply? **Yes**
8. What are the key performance metrics? **The program and performance should be in the submitted proposal**
